## **Meet/Coach information:**

- Designation of two events: if a last minute event change is necessary prior to start of open warm up, this can be discussed with the meet director and may be approved pending the rotation schedule. Please note that session times are set from the original event designations, moving events last minute could cause the meet to run late.
- There are a few athletes competing to mobilize levels. They will compete first or last on each event in order for a second judge to come over for a two judge panel.
- Level 9/10 combined session will have 9's and 10's mixed in squads, level 9's will compete first on every event (Azarian's 9/10's are in two separate squads).
- This meet will be a bump rotation.
- One judge per panel.
- AAI equipment
- Vault will be set to compete into a firm pit surface.
